[C] Pearly shells from the ocean **[C7]**
Shining in the **[F]** sun covering the **[D]** shore **[G]**
When I **[C]** see them
My heart **[F]** tells me that I love **[Fm]** you
More than **[C]** all the **[G7]** little pearly **[C]** shells

For every **[G7]** grain of sand upon the beach
I **[C]** got a kiss for you
And I've got **[G7]** more left over for each star
That **[D]** twinkles in the **[G]** blue
