

**Pearly Shells** -(Pupu A `O `Ewa) - an old Hawaiian song. The English lyrics were written by Webley Edwards and Leon Pober.

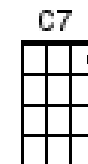

**[F]** Pearly shells from the ocean  
Shining in the **[Bb]** sun covering the **[G7]** shore **[C7]**  
When I **[F]** see them  
My heart **[Bb]** tells me that I love you  
More than **[F]** all the **[C7]** little pearly **[F]** shells

For every **[C7]** grain of sand upon the beach  
I **[F]** got a kiss for you  
And I've got **[C7]** more left over for each star  
That **[G7]** twinkles in the **[C7]** blue

**[F]** Pearly shells from the ocean  
Shining in the **[Bb]** sun covering the **[G7]** shore **[C7]**  
When I **[F]** see them  
My heart **[Bb]** tells me that I love you  
More than **[F]** all the **[C7]** little pearly **[F]** shells

For every **[C7]** grain of sand upon the beach  
I **[F]** got a kiss for you  
And I've got **[C7]** more left over for each star  
That **[G7]** twinkles in the **[C7]** blue

**[F]** Pearly shells from the ocean  
Shining in the **[Bb]** sun covering the **[G7]** shore **[C7]**  
When I **[F]** see them  
My heart **[Bb]** tells me that I love you  
More than **[F]** all the **[C7]** little pearly **[F]** shells  
More than **[F]** all the **[C7]** little pearly **[F]** shells
