

When You're Smiling

By Joe Goodwin, Larry Shay, Mark Fisher

[C]

When you're **[C]** smilin', when you're **[CM7]** smilin'
The **[A]** whole world smiles with **[Dm]** you
When you're laughin', oh when you're laughin'
The **[G]** sun comes shinin' **[C]** through

But when you're **[C7]** cryin', you **[F]** bring on the rain
So stop that **[D7]** sighin', be **[G7]** happy again
Keep on **[C]** smilin', 'cause when you're **[A]** smilin'
The **[Dm]** whole world **[G7]** smiles with **[C]** you

But when you're **[C7]** cryin', you **[F]** bring on the rain
So stop that **[D7]** sighin', be **[G7]** happy again
Keep on **[C]** smilin', 'cause when you're **[A]** smilin'
The **[Dm]** whole world **[G7]** smiles with **[C]** you!
