

## 40 Cups Of Coffee – Bill Haley and His Comets

[C] Pace the floor, [G7] [C] stop and stare [G7]  
I [C] drink a cup of coffee and start [C7] combing out my hair  
I'm drinking [F] forty cups of coffee, [C] forty cups of coffee  
[G7] Forty cups of coffee waiting [F] for you to come [C] home

A [C] quarter to twelve [G7] and you're [C] still not in [G7]  
The [C] way you run around is a [C7] doggone sin  
I'm drinking [F] forty cups of coffee, [C] forty cups of coffee  
[G7] Forty cups of coffee waiting [F] for you to come [C] home

A [C] quarter to three, [G7] I start [C] watching the clock [G7]  
The [C] phone won't ring, so I'm [C7] waiting for your knock  
I'm drinking [F] forty cups of coffee, [C] forty cups of coffee  
[G7] Forty cups of coffee waiting [F] for you to come [C] home

[C] Quarter to four, [G7] you [C] ain't got home yet [G7]  
I try to [C] be cool and smoke a ciga-[C7]rette  
I'm drinking [F] forty cups of coffee, [C] forty cups of coffee  
[G7] Forty cups of coffee waiting [F] for you to come [C] home

[C] You knock on the door [G7] about [C] a quarter to five [G7]  
I wanna [C] hug you and kiss you, say, [C7] "I'm glad that , you're  
alive"  
I drank [F] forty cups of coffee, [C] forty cups of coffee  
[G7] Forty cups of coffee but I'm [F] glad you finally came [C] home

[G7] [C]
