

We Are The World – USA for Africa

[C] There comes a time
When we [F] heed a [G] certain [C] call
When the [F] world must [G] come together as [C] one
There are [Am] people dying
And it's [Em] time to lend a hand
To [Dm] life, the [F] greatest gift of [G] all

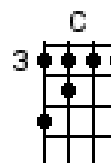

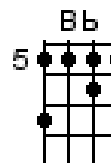

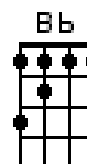

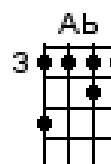

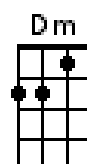

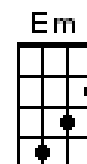

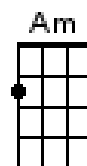

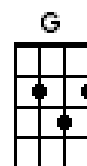

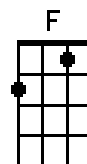

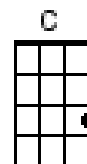

[C] We can't go on
Pre-[F] tending [G] day by [C] day
That some-[F]one, some-[G]where will soon make a [C] change
We are [Am] all a part of
God's [Em] great big family
And the [Dm] truth, you know [F] love is all we [G] need

Chorus: We are the [F] world [G]
We are the [C] children
We are the [F] ones who make a brighter [G] day
So let's start [C] giving
There's a [Am] choice we're making
We're [Em] saving our own lives
It's [Dm] true we'll make a better [G] day
Just you and [C] me

[C] Send them your heart
So they'll [F] know that [G] someone [C] cares
And their [F] lives will [G] be stronger and [C] free
As [Am] God has shown us [Em] by turning stone to bread
So we [Dm] all must [F] lend a helping [G] hand

Repeat Chorus

Bridge:
When you're [Ab] down and out there [Bb] seems no hope at [C] all
But if you [Ab] just believe there's [Bb] no way we can [C] fall
Well, well, well, well, let us [Am] realize
That a [Em] change will only come
When [F] we stand together as [G] one

*Chorus: We are the **[F]** world **[G]**
We are the **[C]** children
We are the **[F]** ones who make a brighter **[G]** day
So let's start **[C]** giving
There's a **[Am]** choice we're making
We're **[Em]** saving our own lives
It's **[Dm]** true we'll make a better **[G]** day
Just you and **[C]** me*
